THIS WEEKEND!

Beautiful hand-made olive wood religious articles made by Christian families in Bethlehem and Jerusalem will be on display on the **27th and 28th of April** after masses in the vestibule. The religious articles are made by the suffering Christian families in the Holy-Land, and are their means of spreading the word of Jesus, a goal that began two thousand years ago. The population in the Holy Land has dropped from over 65% to under 1% just within the last ten years. Crafting the religious articles is the primary means for providing for the livelihood of Christian families in the Holy Land.
