Coming soon to Holy Trinity Church : a new sound system! Based on parishioner comments and realizing that hearing the word of God is of utmost importance, a professional sound company DCI Sound has been contracted to replace our nearly 50 year old system with a new state of the art sound system. With years of experience, DCI Sound has successfully installed systems in numerous Churches throughout New York State. The goal of this project is to improve the quality of worship, with a system that delivers articulate speech and full range music. We welcome your support and contributions to this project.

Holy Trinity's Summer Faith and Fun program is scheduled for July 15-19. We will be presenting Sacraments: Instruments of Power. Registration forms with information are available in the vestibule.
