A REFLECTION OF 2025

2025 was a year of transition for Holy Trinity parish as we adjusted to the realities of the local Catholic community and began sharing a Pastor. We are grateful to Canon Father John, Father Joe and Father Jim for assisting Father Mark.

Holy Trinity remains strong thanks to you our parishioners. Our volunteers are our backbone in ensuring the continuation of many of our parish activities. We are hopeful for your continued help to make Holy Trinity so special! If you see a need, your help will be appreciated.

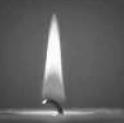

2025 also saw a renewal of a 3 year lease of our school building to Oneida Madison BOCES. Our agreement allows use of the facility by Holy Trinity if needed during non school times. During 2025 we also were able to complete an upgrade to the school heating system to increase efficiency and reliability.

In addition, in 2025, our Trustees and Council were able to establish an improved plan to stabilize and grow parish investments through professional management.

Our strength is in our faith and thanks be to God for His continued vigilance and care upon Holy Trinity parish in 2026 and beyond.

This Sunday's 9:45am Mass (January 4) will be **livestreamed on Facebook** for shut-ins and distant worshippers. We encourage your actual physical presence at Mass as livestreaming is not a substitute for those able to attend Mass in person. We plan on livestreaming a Mass monthly during 2026.

Follow our parish Facebook page (Holy Trinity Church Utica) for updates.

In a Christmas letter to the White House, Miami Archbishop Wenski highlighted the contributions of immigrants to the country's economy.

"If you ask people in agriculture, you ask in the service industry, you ask people in health care, you ask the people in the construction field, and they'll tell you that some of their best workers are immigrants," said Wenski. "Enforcement is always going to be part of any immigration policy, but we have to rationalize it and humanize it."
